MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Recommended Assignment to the National Security Agency
of Responsibility for and Control of ELINT Processing
and Analysis

REFERENCE: Memorandum for the Secretaries of State and Defense,
dated July 25, 1958, from the Executive Secretary, NSC

This is to advise that as of July 31, 1958, the Secretary of State and the Secretary of Defense, as members of the Council's Special Committee for COMINT, reported concurrence in your recommendation on the subject as contained in the reference memorandum.

There are now being circulated to the NSC the proposed revisions of NSCIDs which have been received by this office, one of which appears to carry out the above-mentioned recommendation which has been approved by the Special Committee for COMINT. It is assumed, therefore, that unless otherwise advised, the submission of proposed revisions of NSCIDs constitutes completed action with respect to that recommendation.
